Schonstedt	\$150**	\$200 when new Model is other than a GA-52Cx
Competitor ⁶	\$225**	\$300 and any new Model at the 50 qty. discount price

Terms & Conditions

1. One trade-in unit is allowed for each new unit purchased. However, two trade-in units will be allowed for each new MPC kit purchased.
2. A Trade-In Certificate **MUST** be submitted within 30 days from the date of sale to the end user.
3. One Trade-In Certificate must be completed and submitted for each new unit/kit that is purchased.
4. Trade-In Certificate(s) must be filled-out completely.
5. Schonstedt's Trade-In Program is only offered to end users.
6. Competitor units must be returned to Schonstedt and accompanied with a Trade-In Certificate prior to a credit being issued. *Dunham & Marrow units and RadioDetection units are no longer considered competitor models but **DO** need to be returned.*
7. If a serial number can not be located on an instrument that is being traded, the unit must be returned to Schonstedt before the credit will be issued. (See item #2 above).
8. For traded units that are required to be returned to Schonstedt, free freight/shipping will be provided.
9. Incomplete Trade-In Certificates will not be processed, and a credit will not be issued.

If you have any questions about our Trade-In Program, please do not hesitate to call Customer Service at 888-367-7014 or send an e-mail to info@schonstedt.com.

* Trade-In offers are available to US and Canadian non-ordnance locating dealers only.

* GSA purchased items are not eligible.

** If check is issued from Schonstedt directly to end user it will be in this specified amount.
